The *South Florida Business Journal* is proud to reveal the companies on this year's Florida Fast 100.

Compiled using data obtained by research directors in our four Florida markets, the Florida Fast 100 reflects the diversity of businesses throughout the Sunshine State. This year, 32 - nearly one-third - of the companies listed hail from South Florida.

The privately held companies that qualified for The List are all based in Florida, showed tremendous revenue growth between 2013 and 2015 and provided documentation to verify their revenue figures.
